Good Afternoon,

I've reviewed Chris's H&S file and he is not cleared to deploy in support of Hurricane Harvey at this time. He is currently overdue on his annual respirator fit test and training (last taken 9/12/16; due annually).

I've called him. He's going to talk to Ben. He said he might can but he's also got EOY commitments to make.

Chris is going to call me back after talking to Ben.
